

Phantom head models

Our model material behaves similar to natural bone during drilling and cutting

Ref. FRSM - 107
Sinus lift
Parcial edentulous
Gingiva

Ref. FRSM - 108
Sinus lift
Total edentulous
Gingiva

Ref. FRSM - 109
Sinus lift
Parcial edentulous

Ref. FRSM - 113
Sinus lift
Total edentulous

Order the model with the bone density you need:

DM- XXX - D1/D2/D3/D4 or MIX D2-D3

Example : DM-101-D3

Ref. FRSM - 111
Gingiva reposition

Possibility to produce diferents densities in the same model upon request

Selmodels is the unique company worldwide manufacturing dental models with the four densities of bone : D1-D2-D3-D4 or manufacture customized densities according the design of the implants and needs

Ref. FRSM - 112
